All Ages are welcome!

TheClubatWellsPoint.org

This is one of the favorite events of the year and this year will be no exception. So please bring your entire household and bring your neighbors with you! After a grueling and long winter, come celebrate the start of the spring season.

We always trying to have something for ever, so please don't be shy, we will have activities, food and fun for everyone. Bring your smiles, appetites, energy, and Easter baskets and let's have some fun!

First order of business: FOOD!

Just like last year, we are bringing back the food truck. Snappy Snacks Mobile Catering, a local Pflugerville company, is back for a second year. They have a variety of delicious foods to choose from. We will be providing a \$5 food voucher, which will pretty much get you a meal. Anything over \$5, you will have to pay the difference. We will be providing drinks separately. Like always, we will have tea, lemonade, pink lemonade, and water. We will also have free snow-cones and popcorn. In order to get a food voucher, you must be present and it will be personally given to each and every person, upon showing proof of residency, such as this letter or a utility bill **AND** a photo ID. We want to make sure our limited resources are being used on the residents of the community.

Second order of business: FUN!

We will have about 1,000 prize/treat filled eggs to hunt for. There will be 3 Egg Hunts for the different age groups at separate times:

- Toddlers: Walking Age - 4yrs old
- Elementary: 5yrs-10yrs
- Older kids: 11yrs & up

In between each egg hunt, there will be many fun things to enjoy, such as: Potato Sack Race, Duck Pond, Ring Toss, Egg & Spoon Race, 3-Legged Race, Milk Bottle Toss, Face Painting, Basketball Shoot-out, Bean Bag Toss, 3 in 1 Bouncy House, Animal Land Toddler Bouncy House, and more.

New this year will be the photography studio, **so please bring some cash** to buy some pictures. High Quality 4"x6" photographs, printed on-site with a high quality printer. These pictures can be framed. We will have an Easter themed backdrop, plus some fun props to make the photos even more fun. This is a live photographer with a great set-up. Each photo will be put in a sleeve for its protection. **\$5 per 4"x 6" photo. Optional photo frame is an additional \$5.**

There might even be a surprise visit from the Easter Bunny!!!

Third order of business: COMMUNITY UPDATES!

Landscaping:

We have completed the landscape renovation at Settler's Valley Drive and Champions Point Drive. This is just one of several areas that are getting an update. It will not happen all at once, but we do have plans to continue with other areas around the community. We also repainted all of our monument signs.

Playground:

You may have noticed we no longer have a playground at the park. This is because we have to make room for a **NEW ONE!** Yes, we are getting a new playground that is going to be much, much bigger and appealing to a wider age range. We are very excited and hope you are to, because you should be. The new playground will be installed within the next 6 weeks, before Memorial Day Weekend. We apologize for any inconveniences this may cause.

OWNERS ASSOCIATION, INC.

Pool:

The pool opens for the 2014 season on Saturday, May 3rd.

Swim Lessons:

We are looking to organize group swim lessons for anyone in the community who is interested. If you are interested, **please visit:**

www.theclubatwellspoint.org/polls.html or call Michele LeBlanc at 512-294-9593 and let us know!

Costs of the lessons will depend of the number of people truly interested. The cost per set of swim lessons will likely range between \$20 and \$35 per person. Once we have a more reliable number, we will notify every of the exact cost and provide actual sign-up instructions. **If you don't let us know you are interested, you will not be notified when the time comes.**

Each set of swim lessons will include eight (8) 30 min or 45 min sessions. We are still working out the length of each session. The lessons will be held in the afternoons, Monday through Thursday (4 days a week) from around 4pm at the earliest to 8pm at the latest, but somewhere in that time frame. The time frame listed here was based on the feedback received from our residents.

We will likely hold swim lessons from June 9th through July 3rd, which is basically 2 sets of swim lessons (2 weeks each set). The reason for this is to allow the swimmers to start at one level for the first set of lessons, then as they begin to learn to swim, they can sign up for the 2nd set of lessons and move up to the next level. Based on the level of participation and interest, it is possible to add a 3rd set, but we will just have to wait and see how it plays out.

Who can sign up for swim lessons?

Any and all residents of The Club at Wells Point Community. If you have a close friend or relative that does not live here who is interested in signing up for swim lessons, they may sign up as long as a resident of this community is signing them up and is with them at all times while they are at the pool and as long as the resident does not exceed their guest limit of 2 guest per household.

If you have any additional questions, comments, or concerns, please do not hesitate to send an email to pool@theclubatwellspoint.org. **We will NOT be closing the pool for lessons.**

Please visit: www.theclubatwellspoint.org/polls.html or call Michele LeBlanc at 512-294-9593 and let us know you are interested in swim lessons!

We look forward to seeing you all there.

Sincerely,

The Club at Wells Point Board of Directors and Social Committee
