

The Club at Wells Point – Architectural Committee

Exterior Paint Guidelines:

- **Requires AC approval before work can begin.** Paint color chips must be submitted with the AC Application.
- All siding and garage doors, window trim and fireplace siding and trim must remain neutral in color.
- **Approved** accent color may be applied to the eave trim at the roofline, trim around garage door and trim around front door. All other trim must remain neutral in color.

Examples:
